NORTHERN & VIRTUAL CARDBOARD CHARIOT RACE

Friday October 29, 2021
MacEwan University- Main Gym, Edmonton & Online

OBJECTIVE

Teams of four junior or senior high students will design, construct, and race a cardboard chariot for 20 metres. Teams will need to construct their chariot before the races.

Students will gain valuable problem solving skills and learn the practical application of important principles. Including:

- ◆ Design, research & presentation
- ◆ Structure, strength & rigidity
- ◆ Construction
- ◆ Air resistance, friction, etc.
- ◆ Teamwork and FUN!

Participating schools will be provided with the required materials which can be picked up the week prior to the races.

Team swill have multiple days to buld their chariot, but teams **MUST** submit their design sketch and pictures of the finished project by 12:00 PM on Monday October 25, 2021 so the judges will have time to score their construction marks.

Judging will be based on: design, construction, safety, and speed across the course.

GET INVOLVED!

Registration opens on September 8, 2020
at 8:30 AM

Register early to avoid disappointment!

REGISTRATION INFORMATION

- ◆ Register early! Registration and additional team requests are awarded on a first-come, first-serve basis. There is a 60 team limit per race. Schools can register two teams and may request additional teams by using the Waitlist Request on the registration portal. Waitlist spots will start being granted on September 22, 2021.
- ◆ Teams **MUST** be fully registered by October 13, 2021 as materials will be available to be picked up between October 18 – 22, 2021. Designated pick-up days and locations will be sent out via email. Please contact Katherine (katherinek@skillsalberta.com) if you need to arrange for delivery of materials.
- ◆ The registration fee is \$60 per team. Invoices will be sent out following the event. **Team withdrawals after October 6, 2021 will be invoiced the full amount.**

Your school must be registered with Skills Canada Alberta to be able to participate. Registering as a Skills School is free of charge, visit skillsalberta.com and select “*Become a Skills School*” under the Educator Resources tab.

Registration Steps:

- ◆ Login to the registration portal and select the “Cardboard Chariot Races” tab.
- ◆ Click the green “Add New” button and if a spot is available a team spot will be added to your profile.
- ◆ If a spot is not available or if you would like to request a spot for additional teams, request a spot under the Waitlist section by clicking on the “Add New” button.
- ◆ Enter the students’ information in their team grouping. You will be required to provide each student’s first name, last name, parent/guardian’s name and email. An online release form will be sent directly to the parent/guardian and will be marked as completed once it has been filled out.
- ◆ **All** student information including the online release form must be completed by 11:59 PM on **October 13, 2021.**

Please Note: If COVID-19 provincial restrictions cause the Cardboard Chariot Races to switch to a fully virtual format, all teams will need to follow the virtual team timelines.

For help or questions, contact Katherine Kupchenko: katherinek@skillsalberta.com or 780-945-0925

RACE DAY TIPS

- ◆ Helmets must be worn by students that will be riding in the chariot (ex. Bike helmet, hockey helmet, ATV helmet, etc.)
- ◆ A clearly defined start line and stop line must be taped out for the 20m course.
- ◆ Each team must log into the virtual race with their assigned team number. This number must be attached to the front of the chariot.
- ◆ Teams will race LIVE against another team in Alberta. Based on the virtual nature of this event, you must have a device and connection that will be able to film their entire race.
- ◆ Each virtual team must have their own device and should name their team by their assigned number. Schools with multiple teams and only one device need to name their device by their school name.
- ◆ Schools are encouraged to show their pride! Mascots, cheerleaders, and enthusiastic friends and family are welcome virtually or in person if permitted.

PREPARATION FOR RACE DAY

- ◆ Teams should research the design and construction of their chariot.
- ◆ Teams must prepare a design sketch and build their chariot in advance on the races. Points are awarded for the sketch and photos of the final build! Teams must submit their design sketch and photos by 12:00 PM on Monday, October 25, 2021.
- ◆ It is recommended that students build and test a prototype of their chariot in advance of the race day. Points will be deducted if the chariot used in the race does not match the pictures.
- ◆ Plan the decoration material for your chariot (max. \$20 cost limit). Decorations must not aid in the movement, stability, or the structure of the chariot. A maximum of \$20 may be spent to decorate the chariot. Decorations must be left of during the race and therefore should not impede movement. No wood, staples, string, ropes, twine, wire, additional tape/decorative duct tape are permitted. If paint is used, it MUST be dry in time for racing.

SKETCH AND PHOTO SUBMISSION

The following items are required to be submitted online by 12:00pm (noon) on Monday, October 25, 2021

- ◆ One photograph of each side of the chariot (6 sides in total).
- ◆ One photograph showing that the bottom of the chariot is at least one inch off the ground. A measuring device must be visible in this picture.
- ◆ One design sketch of the chariot.

RULES AND REGULATIONS

CONSTRUCTION RULES

1. Each teams must submit their chariot design and pictures by noon, 12:00 PM on Monday, October 25 for construction judging prior to the race. Points will be awarded for sketch innovation and how closely the construction follows the design.
2. Only the provided construction materials may be used to build the chariot.
3. All cutting must be done in a safe and cautious manner to prevent injuries and damage to the school surroundings.
4. Chariots must be at least three dimensional - they must possess a front, bottom and two sides. Rear walls and roofs are optional. The entire chariot must be at least one inch off the ground.
5. Decorations must not aid in the movement, stability, or the structure of the chariot. A maximum of \$20 may be spent to decorate the chariot. Decorations must be left of during the race and therefore should not impede movement. No wood, staples, string, ropes, twine, wire, additional tape/decorative duct tape are permitted. Paint MUST be dry in time for the race or it will have to be wiped off.
6. All wheels MUST fit the doweling provided as no other wheel axel is permitted.
7. Teams MUST use the provided rope as their main pulling device. Any other devices used to propel the chariot must be built from the provided material. The rope MUST be attached to the chariot.
8. Each team must secure the provided number to the front of the chariot.
9. Students will be able to vote for the Chariot of Fire Award (aka. fan favourite) by selecting their chariot of choice from the online gallery tour. Teams cannot vote for their own chariot. competitors.
10. No external help during the competition is allowed (i.e. from teachers, parents, advisors, etc.).

RACING RULES

1. Helmets must be worn by the racing team members during the speed event.
2. NO RUNNING STARTS, only 1 puller allowed - STAND and PULL ONLY. THE RIDER'S ARMS AND LEGS MUST BE FULLY INSIDE THE CHARIOT. Any infraction will result in a disqualification.
3. A clearly marked start and stop line must be taped out and are visible on the screen.
4. All chariots (and their parts) as well as all the two team members must cross the finish line to complete the race.
5. In the speed event, all teams must stand behind the starting line. Once the whistle is blown the timer begins and the driver can then get in their chariot. The person pulling the chariot cannot start until the rider is fully in the chariot. Team members are permitted to stabilize the chariot at the beginning of the race to help the rider smoothly enter. The team members stabilizing the chariot must let go before the puller can start moving.
6. Teams will race in heats against other chariots and the clock. Please refer to the scoring sheet regarding point allotment.
7. Teams are eligible for the Tow Truck Award only if they do not complete the speed event and if the chariot is fully inside the course. Teams are eligible for a maximum of ten points at the judges' discretion for dramatizing their crash.
8. No external help during the competition is allowed (i.e. from teachers, parents, advisors, etc.).

JUDGING CRITERIA

Medals will be presented each day to the top three teams in the junior and senior high categories based on the following criteria. In the case of a tie, the team with the highest speed and construction score will be the winner. A Tow Truck Award will be presented to the best and most dramatic crash during the speed trials.
