WHO WE ARE

SKILLS CANADA ALBERTA

Skills Canada Alberta (SCA) brings together the skilled leaders of today, to develop and recognize the skilled talent of tomorrow. Our partners in education, industry, labour and government are connecting with a generation eager to build their skills and talents and launch their careers. SCA is a not-for-profit, provincial association which promotes skilled trades and technology careers to Alberta's youth. We are also the provincial branch of Skills/Competences Canada (SCC), which operates nationally as well as in all provinces and territories, and is the first step to qualifying for the WorldSkills Competitions.

WHAT WE DO

FROM THE REGIONAL TO PROVINCIAL AND NATIONAL STAGE!

In 2021, SCA will host Regional Skills Canada Competitions (RSCC) in nine event areas for students across Alberta. The RSCC top performers will earn a spot at the 29th Provincial Skills Canada Competition (PSCC), which will take place virtually, in schools from April 14—23, 2021 due to the ongoing global pandemic. During the one-day PSCC, each student specializes in one event area and must complete a project that has been designed by experts in that field. For those events not requiring qualification at an RSCC, students may be registered directly for the PSCC. Competitor packages will be mailed out directly to schools on April 8 + 9, 2021. Gold medal winners at the PSCC will become part of Team Alberta and will compete at the Skills Canada National Competition (SCNC), which will also be hosted virtually.

WHAT DO YOU NEED?

CONTEST DESCRIPTIONS

Each competition area has a Contest Description. A Contest Description outlines the purpose of each challenge, the skills and knowledge to be tested, the clothing and equipment required to be brought by the competitor, the related Career and Technology Study courses, and the judging criteria. All events are for individual competitors unless otherwise indicated. SCA encourages you to check our website regularly for the latest versions of the Contest Descriptions. Please note that students that do not comply with the safety requirements outlined in the Contest Description will be disqualified. Please carefully review the safety equipment required to be brought by the competitor to avoid disqualification. Contest Descriptions and Projects can be found at SkillsAlberta.com/competition/events.

WHAT DOES IT COST?

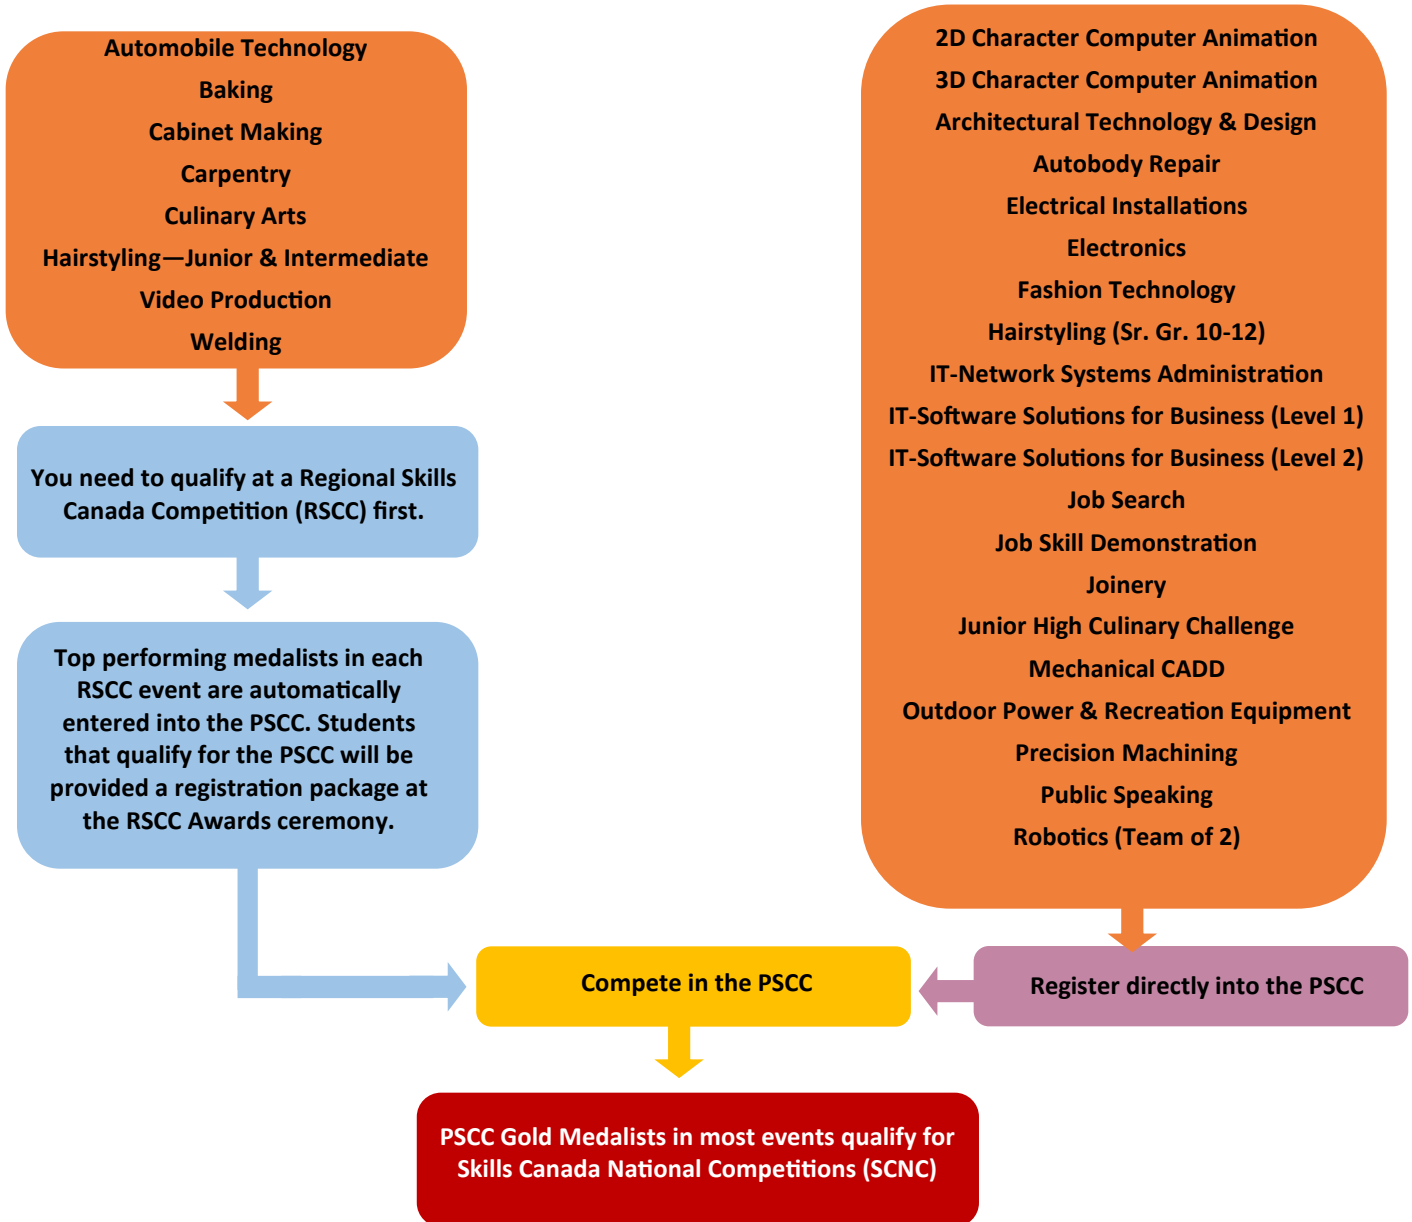

PARTICIPATION & FEES

Participation in the PSCC is open to all Alberta schools. Schools are responsible for a \$50 PSCC registration fee per competitor. Cancellations after March 31, 2021, will result in a \$30 cancellation fee. Invoices will be sent to schools following the PSCC. Registration fees include a t-shirt, lunch, and welcome package for both competitor and registering teacher..
