

2023 ROBOTICS REGISTRATION PACKAGE

Skills Canada Alberta is pleased to host Robotics as an event at the 2023 Provincial Skills Canada Competition (PSCC). Registration for Robotics opens earlier than the other events hosted at the PSCC due to the significant work required by students prior to the competition.

Registration for the Robotics Qualifying Competition opens on **October 19, 2022** at **8:30 a.m.** and is administered on a first come, first serve basis. The Contest Description for Robotics will be available online in January, 2023.

REGISTRATION PROCESS FOR ROBOTICS

Your school must be registered with Skills Alberta to be able to participate. Registering as a Skills School is free of charge, visit skillsalberta.com and select “*Become a Skills School*” under the Resources tab.

The registration fee for the PSCC is \$100 per team. Invoices will be sent out following the event. Team withdrawals after **April 12, 2023** will be charged a \$60 cancellation fee.

Registration Steps:

- Login to the registration portal and select the “Robotics” tab.
- Once registration opens click on the green “Add New” button and select “1 spot.” A team of two will be added under “Registered Participants/Teams”.
- If a spot is not available or if you would like to request a spot for additional teams, click on the green “Add New” button in the Waitlist Request section.
- Enter in the students’ information in their team grouping. You will be required to provide each student’s first name, last name, parent/guardian’s name and email. An online consent form will be sent directly to the parent/guardian and will be marked as completed once it has been filled out. Do **not** press the “Delete” button unless you would like to remove your entire team and no longer wish to participate in the Robotics competition.
- All competitor information must be entered and all forms completed by the end of day on **April 19, 2023**.
