Let's Get to Work!

Did you rock these skills? Talk to your teacher to learn more about how you can showcase your skills at Skills Canada Alberta, alongside other students from across the Province!

Measure out the copper tube to 24"

Cut the tube using the tube cutters, being careful not to squash the tube

Shape the copper tube using the metal template

Bend the tube legs using the lever benders

Take a photo and add it to your photo frame

And finally, don't forget to share your creations with us on social media!

SKILLED TRADE: REFRIGERATION
