

**GETT**

**GETT into it! Registered students will get the chance to test-drive careers and learn new skills through a variety of hands-on Try-A-Trade® Take-Out kits before attending the GETT Gathering! The below 5 kits will be sent directly to the registered school. Each kit includes materials and safety equipment to complete these exciting activities using the instructions and tutorial videos provided. Kits cover careers such as: Sheet Metal, Woodworking, Aesthetics, Culinary Arts, and Refrigeration.**

**GETT registrants will also connect as a community via an exclusive online GETT Padlet giving them access to helpful resources such as: Partner & Career information, Goal Setting activities, The 7 Dimensions of Wellbeing and chances to win prizes!**

	Sheet Metal: Canoe	This sleek canoe provides a great opportunity to use real tools of the sheet metal trade. Create a metal canoe using folding tools and tin snips. The perfect decoration for your study desk!
	Woodworking: Squirrel Picnic Table	Using skills and techniques of the cabinet making trade, test drive your woodworking skills to assemble a squirrel picnic table. You'll have
	Refrigeration: Photo Frame	Learn how to measure, cut, and bend copper tubing to create this stylish photo frame. Then put your photography skills to the test to create a fun photo to put on display!
	Aesthetics: Smoky Eye Makeup	Have you ever wondered how to create that classic smoky eye effect? Follow along with makeup artist, Starrly Gladue, as she shares all of her tips and tricks to blend your way to smoky perfection!
	Culinary Arts: Spice Blending	Do you love cooking? What about eating? Learn about the five main tastes: salty, sweet, sour, bitter, and umami. Then put on your chef's hat and get ready to create your own signature spice blend!
