HOLD UP!

Don't forget your personal protective equipment before you start! This includes a mask, safety gloves and glasses.

Let's Get to Work!

Identify the project layout and nail holes using the video tutorial

Add the side pieces to the back of the birdhouse using glue and nails

Add the bottom piece using wood glue and nails

Did you rock these skills? Talk to your teacher to learn more about how you can showcase your skills at Skills Canada Alberta, alongside other students from across the Province!

Install the birdhouse door and door latch. Note - don't nail the latch all the way in!

And finally, install the birdhouse roof using nails and wood glue

Finish off your project by removing the glue and sanding the wood
