Let's Get to Work!

Did you rock these skills? Learn more about what Red Deer Polytechnic has to offer below:

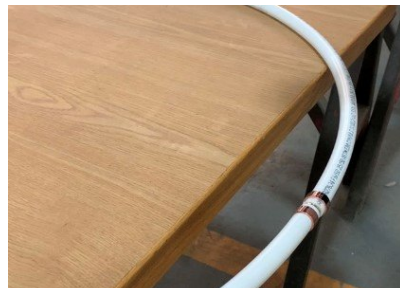

Measure and cut the PEX pipe at 7.5ft or 90 inches

Add a crimp ring and coupler to one end of the pipe

Crimp the ring into place using the crimp tool

Add the second crimp ring to the other side and connect the pipe

Crimp the second ring into place using the crimp tool

And finally, don't forget to share your creations with us on social media!
