## HOLD UP!

Don't forget your personal protective equipment before you start! This includes a mask, safety gloves and glasses.

## Let's Get to Work!

Measure and cut the PEX pipe at 7.5 ft or 90 inches

Add a crimp ring and coupler to one end of the pipe

Crimp the ring into place using the crimp tool

Did you rock these skills? Talk to your teacher to learn more about how you can showcase your skills at Skills Canada Alberta, alongside other students from across the Province!

Add the second crimp ring to the other side and connect the pipe

Crimp the second ring into place using the crimp tool

And finally, don't forget to share your projects with us on social media!

**SKILLED TRADE: PLUMBING**
