Quickly roll the wax into a worm shape. Work fast so it doesn't disintegrate!

Lay the wax onto the skin and spread it out flat

Option to use a small amount of Vaseline to smooth the edges

Create a cut effect using a snapped popsicle stick

Add blood to the inside of the cut

Gradually build up the blood

First, select an inspiration image to work from

Pluck the edges of the sponge to get a more organic shape

Lightly add paint to the sponge and gently pat onto skin

Add heavier paint spots to create depth to the bruise

## Get Creative!

Use different coloured paints to create various effects.

Zombie bruises - black and yellow

Aged bruises - green and red
