

SKILLS EXPLORATION DAYS

TEACHER VIDEO

[Click Here!](#)

A step by step how-to video to help teachers facilitate the design thinking activity and worksheet in the classroom while using the corresponding Teacher PowerPoint.

- What is Skills Exploration Days and how does it connect to Alberta Education?
- What is design thinking and why is the human-centered thinking process important?
- What is a Design Challenge?
- Get started in the classroom - How do I use the Teacher PowerPoint to facilitate the Human-Centered Design Thinking activity with my students?

Thank you for all your hard work and commitment. We look forward to seeing you at the Virtual Skills Exploration Days!
