

Video Tutorial

Zen Garden

Skills Canada Alberta is a provincial non-profit organization that actively promotes careers in skilled trades and technologies to Alberta youth. We strive to set students up for success in the trades and and technologies industries. We do this through a competition model that showcases Alberta's most skilled youth and unique hands on programming that helps students test drive different careers and learn new skills.

What's Included

HOLD UP!

Don't forget your personal protective equipment before you start! This includes a mask, safety gloves and glasses.

Let's Get to Work!

Clamp a 8" piece of wood to the table

Preset 2 nails into another piece of 8" wood

Nail the 2 pieces together using a hammer

Did you rock these skills? Talk to your teacher to learn more about

SkillsXibition - a chance to test drive more trades and technologies alongside fun industry experts!

Repeat the process for all 4 sides. Overlap the end of each piece of wood with the end of the next as shown

Nail the 5 8.5" pieces to the square box to create the base

Once complete, add cardstock to bottom of the box

HOLD UP!

Don't forget your personal protective equipment before you start! This includes a mask, safety gloves and glasses.
