GET WIRED FOR TRADES AND TECH!

Presented by: Syncrude

We are excited that you'll be joining us for SkillsXibition this year! Below are a few important pieces of information that you will want to read to ensure you are ready for your activity! All pre-recorded demonstration videos will be posted online by May 26<sup>th</sup>.

#### Skills Canada Alberta Supplied Materials:

Each student participating in the Procreate tutorial will require a Procreate license. Teachers will be emailed redemption codes based on the number of students registered in the session. ***Please specify number of students participating in this session.***

#### School Supplied Materials:

Each student will require:

- Art supplies: sketchbook or paper, pencils, crayons
- Optional: iPad & Apple Pencil

#### BEFOREHAND REQUIRED PREPARATION

Students participating in Procreate tutorial will require their own iPad & Apple Pencil. Please download Procreate for iPad using SCA provided redemption code.

#### ACTIVITY DIRECTIONS (supplementary to the demonstration video)

The recorded session will include the following:

- Pencil & Paper Project: How to develop your own personal design style
- Procreate Tutorial: How to digitize your art

#### GET CONNECTED WITH PADLET

Check out more tips and resources from industry and education experts with our exclusive SkillsXibition Padlet. You can also share photos and videos from your activities! We want to see how your builds & creations turn out! Each post you make before June 30<sup>th</sup> will earn you 1 entry in our draw for a \$100 gift card!
