GET WIRED FOR TRADES AND TECH!

Presented by: **Synocrude**

We are excited that you'll be joining us for SkillsXibition this year! Below are a few important pieces of information that you will want to read to ensure you are ready for your activity! All pre-recorded demonstration videos will be posted online by May 26th.

REQUIRED MATERIALS & SUPPLIES

Skills Canada Alberta Supplied Materials:

Image files for editing will be provided via a Dropbox link.

School Supplied Materials:

Participants must have access to Photoshop and Lightroom (ideally on a desktop or laptop, but can be accessed via an app if needed. Note some instructions may be different on an app vs. on the desktop led session). If your school does not have an Adobe subscription you can typically register for a 30 day free trial. Make sure to contact your IT department to confirm whether this software can be downloaded on your school's devices.

BEFOREHAND REQUIRED PREPARATION

No beforehand preparation is required for this session, other than access to Lightroom and Photoshop. If your school needs access to these programs, [30-day free trials are available](#).

ACTIVITY DIRECTIONS

The live session will include the following steps, which can also be followed using a recording of the session:

- Watch video about preparing an interior space before taking a photo.
- Acquire photos in Lightroom.
- Edit photos in Photoshop.
