What has been the best part of your Skills experience?

My favourite part has definitely been the experiences I've had doing Skills, learning new things travelling around to compete - it's all just so fun!

How do you feel having earned your spot on Team Canada?

I feel so grateful, it's such a nice feeling knowing that all the work I have put into get here has been worth it.

What are you most looking forward to now that you're on Team Canada?

Getting to represent Canada at Germany for sure. It's such an honor and I'm really looking forward to it!
