### CONTEST INTRODUCTION

The baker/pastry competitor is a skilled individual who produces a wide range of intricate baked goods including yeasted and non-yeasted products. A degree of specialist knowledge and skill is required.

Competitors will be tested on ingredient selection and portioning, mixing, make up procedures, hand shaping bread and buns, methods of finishing, proofing, baking and presentation.

The baker/pastry competitor will also be tested on their work efficiencies as they have to present products at specified times. During the competition the judges will be evaluating their workplace safety, sanitation, hygiene and organization. Competitors will also be evaluated on effective use of ingredients. Examples are:

- Are they producing only the required quantities?
- Do they have significant quantity of extra product?
- Did they have to remake a product a second time?

All food waste must be placed into a supplied container, which will be provided at each workstation. Disposing of the food waste cannot be done until competitors have received notice from the judges at the end of the competition day.

Their ability to work on their own and adapt to changing equipment and environment is essential.

## **ORGANIZATION**

Competitors have 4 hours to produce all of the products described below. They are free to organize all of their work as they wish, ensuring all products are presented at the end of the competition.

## **PRESENTATION TIMING**

Competitors have a 10-minute window to present their products (either 12:50 – 1:00, or 1:50 – 2:00). Products can be presented up to 10 minutes after their allotted time with a (10%) ten percent point reduction (2:00 – 2:10). All products presented after the 10-minute extension of the allotted time will receive a zero. Once the products are presented on the judge's presentation table no alterations can be made.

## **ORIENTATION**

At the commencement of the orientation, the competitor's supporters can help them bring their toolboxes into the bakery. Once the competitors are at their location, the supporters are to leave and cannot assist in unpacking or setting up the workstation.

## **SAFETY, SANITATION AND ORGANIZATION**

Competitors will be assessed based on the following criteria's:

- Correct uniform, no jewelry
- Workstation emptied, sanitized at end time
- Organization of tools and equipment
- Food Sanitation – of raw material and ingredients
