### CONTEST INTRODUCTION

Enable industry as well as observers to view the level of skill taught within the secondary and post-secondary programs and encourage interaction between the various sectors. This relationship will ensure the skills gained by young hairstylists at all levels of training meet the demands of the beauty industry. The competition also challenges students in hairstyling and promotes this career trade.

### SKILLS AND KNOWLEDGE TO BE TESTED:

The Junior (Grade 10 and 11) competition will be based on creative impression and ability. **This must be a combination of 2 or more of ropes, knots, twists or braids.** This will be completed on a **mannequin of the competitor's choice (examples: natural textured long, natural textured shorter, long or shoulder length).**

### PROJECT DESCRIPTION

Hairstyling Creative Braid

**Duration:** 1.5 hrs

**Test:** Creative Braid: Must be Commercial & Wearable

**Objective:**

1. The competitor will use their imagination to create an **innovative** style (**not avant-garde or fantasy**) that incorporates **75% of roping, knotting, braiding, or twists** and which best displays their artistic ability. The style should be acceptable for a fashion forward client to wear; but should not be fantasy and out of category.
2. The competitors will handle hair confidently and brush, comb, and part hair correctly, and create ropes, knots, braids or weaves.
3. Hair must be completely dry and brushed through at the beginning of the contest.
4. Hair, bobby pins, colored spray, ribbons, jewelry and ornaments may be used to enhance the design.  
**NO extensions of any kind are allowed in this competition.**

**EQUIPMENT & MATERIALS**

**Equipment and Materials Competitors Must Supply:**

Mannequin and stand – this stand must be able to fit onto a 2” thick table, <b>NO TRIPOD STANDS ALLOWED</b> , no body mannequins, shoulders allowed, no neon colors	Working tools and equipment, which should include the following: water bottle, towels, cape, all cutting implements, combs, brushes, clips, hairpins etc.

Mannequin make-up, jewelry, draping, and hair coloring/sprays (not required, but encouraged)	

**Equipment and Materials Supplied by the Committee:**

Table
Mirror
Single electrical outlet

**JUDGING CRITERIA**

All judging will be performed according to both subjective and objective criteria. Objective areas are those areas which are a simple yes or no. Subjective areas are those which require trade specific creative judgment.

Subjective areas judged by an independent panel and should include the following five areas:

1. Degree of Difficulty
2. Balance of Design
3. Clean Finish
4. Creativity
5. Presentation

Objective areas judged by the Regional Technical Committee or similar Judging Panel include:

1. 75% of the head and hair is knotted, braided, roped or twisted
2. Contains 2 or more ropes, knots, braids or twists
3. In category: Wearable and innovative, but not fantasy
4. **Appropriate accessories used (nothing can penetrate the scalp, no pins) and no additional hair may be used as an accessory (no colored hair extensions)**

## Judging Rubric

Element	Beginning (1)	Developing (3)	Proficient (3)	Exemplary (4)
<b>Balance of Design:</b> Side to side, front to back, back to side, profile, overall look	No Balance in any area  Balance is not present in the hairstyle	Has balance in one area only  Balance is present in less than 50% of the hairstyle	Has balance in two areas  Balance is present in more than 50% of the hairstyle	Has balance in three areas  Balance is present in all areas of the hairstyle
<b>Clean Finish:</b> No pins showing, demonstrates an intentional finish, seamless transitions of all the elements, no stray hair, appropriate use of product.	There is a violation in each of the identified clean finish elements	There is a violation in more than one of the identified clean finish elements	There is a violation in one of the identified clean finish elements	There is no violation in each of the identified clean finish elements
<b>Creativity:</b> Any braiding technique demonstrated in an innovative style (meaning you have made an older technique look new again), creative use of design elements.	Style is completely lacking in innovation and creativity	Not innovative, but braid used is appropriate, but the hairstyle is considered dated, and is lacking design elements, decorative application	It is not lacking in any identified area and contains a proficient amount of creativity and innovation	Superior innovation and creativity, and the final design is purposeful
<b>Degree of Difficulty:</b> Shown through an integration of various elements. Student's work shows deliberate transitions and unified design elements that show a strong level of difficulty.	Style and transitions were performed at a beginning skill level, transitions are weak and undefined	Style and transitions are developing, and demonstrate minimal difficulty	Style transitions demonstrate moderate difficulty and the transitions are present and proficient	Style is exemplary and demonstrate the highest level of difficulty and the transitions are seamless
<b>Presentation:</b> All ornamentation used shows forethought of planning and is not being used to cover up poor workmanship.	Minimal effort for presentation evident in design. Ornamentation is obviously placed to hide poor workmanship or transitions	Ornamentation is not suitable or may be overtaking the design of the hairstyle. Ornamentation may be lacking and/or is not present to compliment the hairstyle	Ornamentation is present and is overall well done. There are one or two issues with placement of ornamentation but are not being used to hide mistakes	Exemplary quality in both choice and placement of ornamentation. Placement is purposeful and compliments the final presentation
<b>75% of the hair is roped, knotted twisted or braided</b>	No			Yes
<b>Contains 2 or more ropes knots or braids</b>	No			Yes

In category: Is wearable not fantasy	No			Yes
