WorldSkills Canada Expert

TRADE: Heavy Vehicle Technology

COMPETITOR: Luke Emeny

HOMETOWN: Montreal, QC

What made you want to represent Canada in your trade at the WorldSkills level as Canada's Expert?

"I wanted to be involved in Team Canada as an expert because I have been involved for several years in the Olympiade and I am convinced that I can make our candidate benefit from my experience so that he can perform at the height of his skills in Shanghai."

Tell us a little about your Skills experience that led you to becoming an Expert.

"I have been in the Olympiad since 2012, I started as a coach of our candidate from Abitibi in Quebec and at my twelfth participation we got a gold medal in our provincial version to participate in the National A in Toronto then two years later I once again had a gold medal with my other candidate and participate in the Moncton National since 2020 I am an expert For Quebec."

What do you think sets Canada apart in your trade?

"Our competition sector is well represented in our country and the variety of equipment is a positive point for the training of our candidate."

What are you most looking forward to experiencing in Shanghai, China?

"I am very grateful to have this position and I hope to be up to the task for our candidate to perform in competition in Shanghai it will be an extraordinary experience."
