

INTRODUCTION

Mystery Nail Art Designs

Competitors will randomly select two mystery nail art themes from a box containing five options: flowers, dots, stripes/lines, leopard print, and marbling. Competitors must then recreate five tips that duplicate the chosen themes, not the original artwork. Design elements must clearly represent each theme, while colour choices may be adapted creatively.

Below are samples of the mystery nail art.

Sample 1: Flower Nail Art

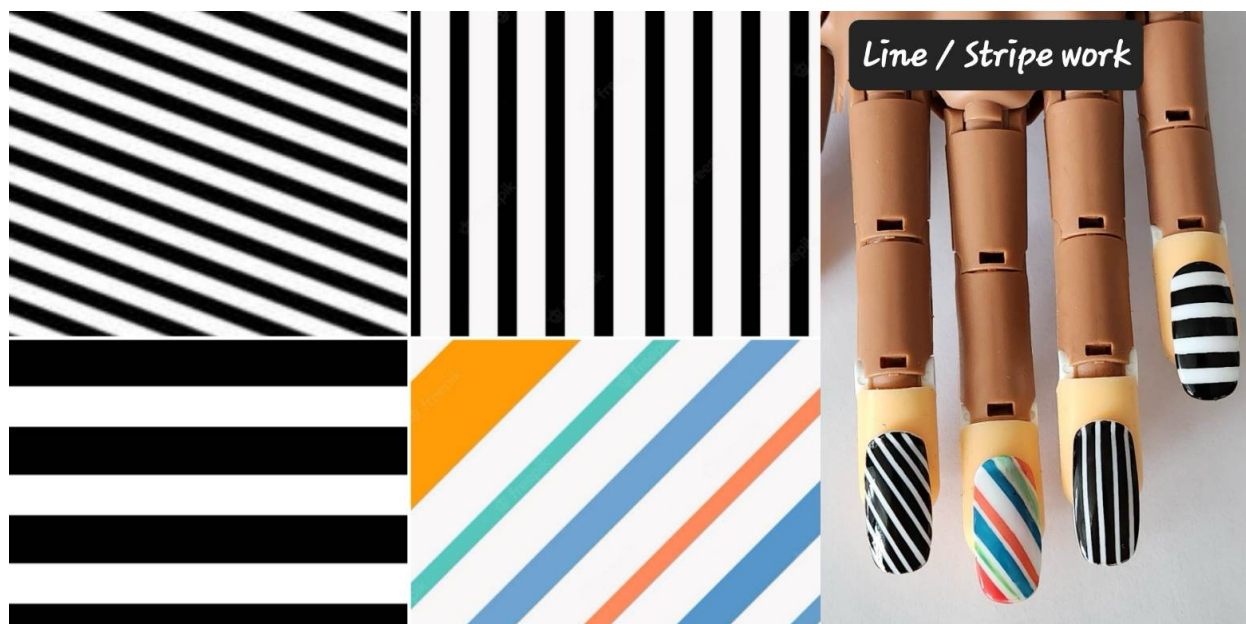

Sample 2: Dot Nail Art

Sample 3: Leopard Nail Art
