

## 2026 Provincial Skills Canada Competition

### Aesthetics Project

Welcome to the 2026 Provincial Aesthetics (30) Competition. Congratulations on participating in such an exciting and rewarding competition!

**Models for all competitions will be provided by the competitor. Please see the Model Requirements section for important details.**

During the competition you will be judged in the following areas:

- Professional presentation
- Technical skills
- Organizational skills
- Communication
- Product knowledge & control
- Sanitation and complying with health and safety
- Body Therapy Treatment (Female Model)
- Advanced Facial (Female Model)
- Manicure: Galaxy Themed (Female Model)
- Creative Makeup: Galaxy Themed (Female Model)

#### **Orientation for Competitors:**

Competitors are to bring a copy of the Contest Description, Project and any other documents pertaining to the Aesthetics competition. During the competitor orientation, you will have the opportunity to familiarize yourself with the equipment, products and tools. Competitors will have the opportunity to ask questions at this time.

#### **Tasks and Checkpoints:**

You will be given a specified time for each task. Judging is done throughout each task, so you will need to be aware of these **CHECK POINTS** indicated in your instructions. It is the competitor's responsibility to ensure that judges check the models prior to commencing any treatment. All tasks must be finished within the given time. Other than judging time, no extra time will be granted.

**Note:** If you are in doubt about any other tools or equipment you wish to use, check with the chair of the committee **prior** to the competition date. Each test must be performed using the provided number of towels specified below. You do not have to use all of the supplies/towels, however, you cannot use more.

## Lines and Gauze (Provided by Skills Canada Alberta)

TEST	Towels Provided	4X4 Gauze Provided
