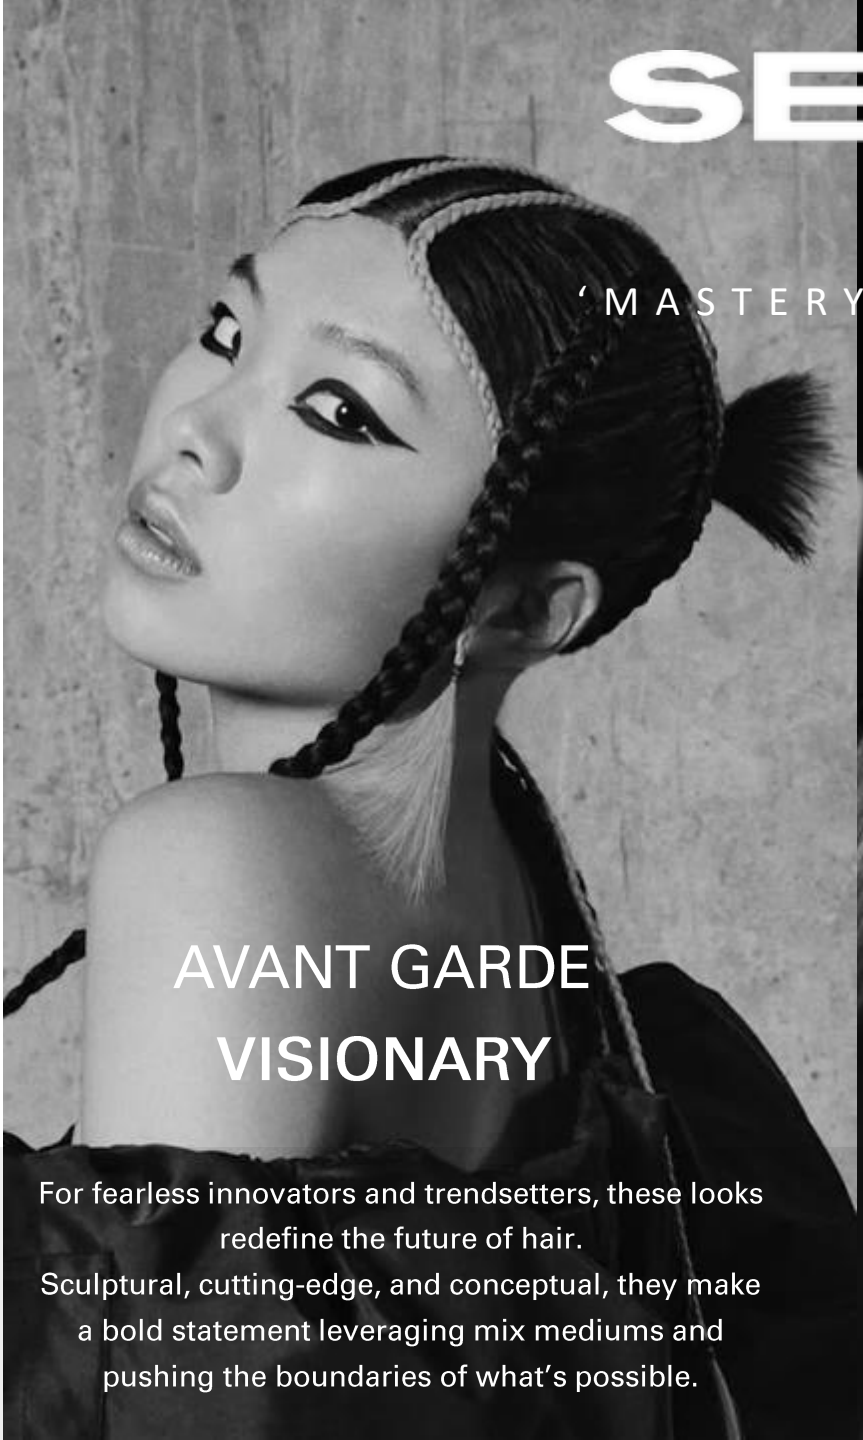
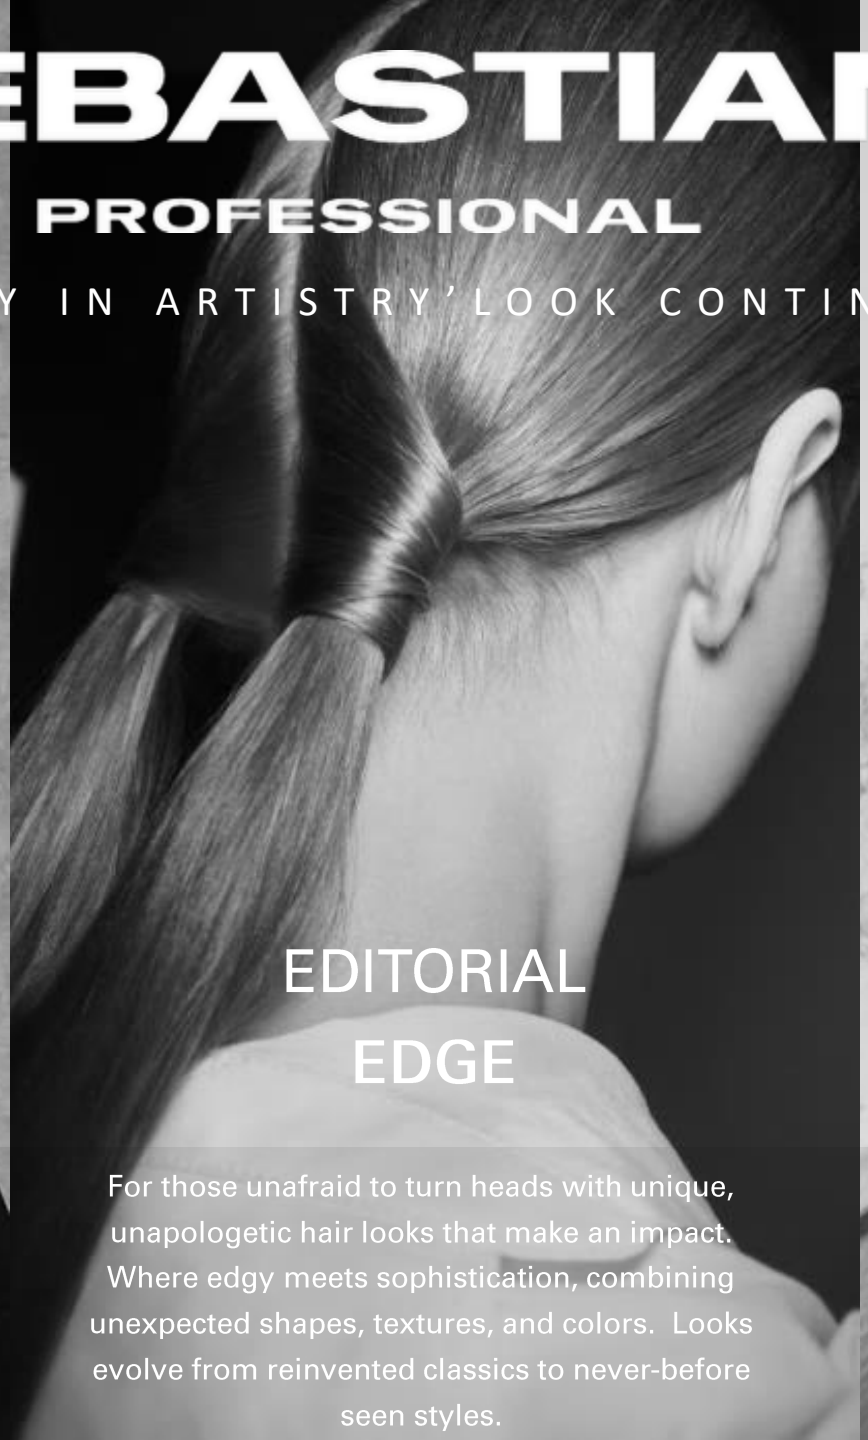
'MASTERY IN ARTISTRY' LOOK CONTINUM



AVANT GARDE
VISIONARY

For fearless innovators and trendsetters, these looks redefine the future of hair.
Sculptural, cutting-edge, and conceptual, they make a bold statement leveraging mix mediums and pushing the boundaries of what's possible.



EDITORIAL
EDGE

For those unafraid to turn heads with unique, unapologetic hair looks that make an impact. Where edgy meets sophistication, combining unexpected shapes, textures, and colors. Looks evolve from reinvented classics to never-before seen styles.

BOLD
STREET STYLE

For those who want to define their own style and turn everyday hair into attention-grabbing looks. Strong diffused lines and contrasts that showcase our techniques. Organic and flawless textures that amplifies your canvas and express who you are.

Style
Finish & Hold

Street fashion to Hair fashion.

In the late '80s, walking through the streets of London, Sebastian was inspired by a non- conforming youth generation who wore their hair dirty and matted. To capture this look, Sebastian introduced a new, rich, creamy mud, infused with millions of hair-like fibers, further popularizing the grungy look. Molding Mud is the tool of the times -for rock stars and rebels.
