YOU DID IT!

Congratulations on your incredible achievement at the 2026 Provincial Skills Canada Competition (PSCC), and for earning your place on Team Alberta! This is just the beginning of an exciting journey. You're now part of a passionate and supportive community filled with unique opportunities to grow, connect, and thrive both personally and professionally. We can't wait to see the impact you'll make—not just in competition, but in your future career and beyond. Get ready to make your mark on the world!

Skills Canada Alberta (SCA) is proud to be part of an international movement, alongside a national association, that hosts skills competitions recognizing excellence, celebrating champions, and inspiring thousands of students like you to turn your passions into a profession. We're here to help you elevate your career, open doors, and have a blast along the way!

The SCA team can't wait to see you at the 2026 Skills Canada National Competition (SCNC) and cheer you on as you take the next big step in your journey!

FIRST STEPS ON TEAM ALBERTA

Please follow the below instructions to secure your Team Alberta spot to attend the Skills Canada National Competition (SCNC):

- ◆ **Step One:** Confirm that you will accept your spot on Team Alberta by filling out the [Team AB Registration Form](#). It is important that registration forms are filled out immediately upon receiving your place on Team Alberta. All registration and documents are due by Sunday, May 10 at 11:59 PM. **Failure to complete these forms correctly and on time could result in losing your spot on Team Alberta.**
- ◆ **Step Two:** Visit the [SCA Team Alberta webpage](#) for all important competition information and links.
- ◆ **Step Three:** Download the [Discord](#) app to your phone and connect to the Team AB conversation.
- ◆ **Step Four:** Visit the [SCNC website](#) to view your contest description, project documents and schedule, and sign up for updates.

It is your responsibility to stay up to date with all competition and trip information and requirements. SCA will provide you with all of the information you need through this Team AB package, the Team AB Webpage, and Slack.

SCNC COMPETITION INFORMATION

COMPETITION DOCUMENTS

Team Alberta competitors are required to review the contest description, project, and supplementary information available on the [SCNC website](#). Information regarding your competition can be found online. Please review all documents to ensure that you understand and are prepared for the tasks you will be required to do. Competitors are responsible for ensuring they have all the required tools and equipment, safety supplies, and technology noted in the contest description. It is the responsibility of the Team Alberta competitor to ensure they are working off the **most current documents** for their specific event.

TOOLBOX DROP OFF AND PICK UP

Toolbox drop off will take place on Tuesday, May 26 at the competition venue, prior to checking into the hotel. Toolboxes must be securely labeled with the [SCC Competitor Toolbox Label](#) prior to venue drop off.

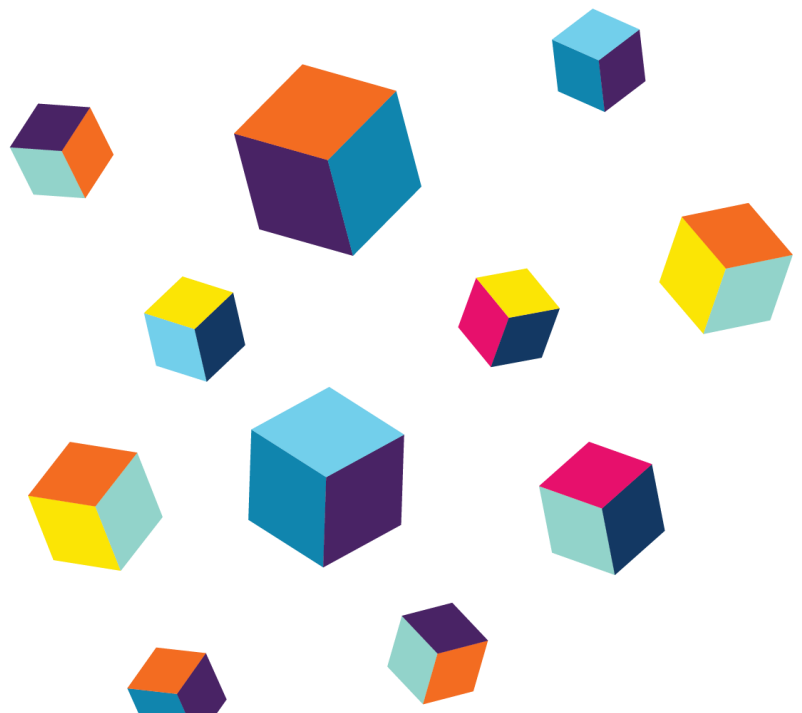

Once you have checked in your toolbox, you will not be permitted to remove it until the competition has finished. Competitors are responsible for removing their toolbox/equipment from their skill area and transporting it back to the hotel at the end of the competition.

COMPETITOR ORIENTATION

SCNC competitor orientation will take place on Wednesday May 27 from 2:00 PM –3:15 PM in respective skills areas. Orientations are mandatory for all competitors. The meeting is designed to prepare competitors for their contests. The National Technical Committee will provide instructions in the official language of the competitor's choice.

This review will include:

- Confirming attendance and competitor information, and allocating station numbers.
- Rules of the event, schedule, evaluation criteria, grievance process, and safety procedures.
- Verifying tool list and material that competitors must supply.
- An opportunity for competitors to ask questions about tools, equipment and materials.
